G.O. No 86

Dated 10 1.1954

Copy of Ro.O.C.No.12308/48 dated 8-9-1948 from the Inspector of Ml.Cls. & Local Boards, Madras addressed to the Secretary to Govt., Local Administration Department Madras.

Sub: Establishment - Office of the Inspector of Municipal Councils and Local Boards - Deputation of clerks for Revenue Inspectors training for selection for appointment as Municipal Commissioner - Clarification of orders of Govt. Requested.

In their order No.189, L.A., dated 5-2-48 the Government have stated that the system of giving Revenue Inspectors training to the clerks of this office may be continued and that I may depute one or two clerks who have passed the Revenue Test for survey training, when the Board of Revenue calls for a list. The Board of Revenue has as usual, called for a list of clerks this year who have to be trained in survey in the next batch of the survey school and deputed for service as Revenue Inspectors for a period of two years. Two clerks in this office possess the requisite qualifications and can be sent for training in survey and as Revenue Inspector.

2. A clerk of this office Sri K. Ramanathan who had the requisite qualification applied for the post of Commissioner during the recent selection. He was informed inGovernment L.A.Memo .No.4138 L.A., dated 24-2-48 that this case would considered when Government servants are recruited as Commissioners. There is no prospect of such a recruitment in the near future.

The position therefore needs clarification.

It was thought that by the acquisition of the prescribed qualification and after undergoing training as Revenue Inspector a clerk of this office would automatically become eligible for selection as Municipal Commissioner. But this does not appear to be so. Further it is not clear if the same qualifications and training will be prescribed for all Government Servants when recruitment is thrown open to them. Otherwise I do not think it worthwhile to send clerks of this office alone for the survey and Revenue Inspectors training. I solicit the instructions of Government whether this training as Revenue Inspector may not be dispensed with for clerks of this office before they are made eligible for selection as Municipal Commissioner.
